| <p>A webinar on “Enrich to Excel” was organized by Women Empowerment Cell and Immaculate Youth Movement Cell of IECW on 28.08.2020 at 4 pm – 5 pm through Google Meet. Rev.Fr.Anil Jacob D'sa, YCS- Asian Chaplain was the resource person for this webinar. He has given inputs on how to keep oneself with high values system and enhance the personality. He has encouraged the students to do some daily practices to improve their thinking pattern and attitudes. It was a very useful session to keep in right direction in their higher education. The programme ended with vote of thanks.</p> |                              |                         |                         |

| <p>A webinar on "Positive Mental Health" was organized by Immaculate Youth Movement Cell of IECW on 25.06.2020 at 4.30 p.m. through Google Meet. Mr.C.Moses Selvakumar was the resource person for this webinar. He oriented the students how to maintain the mental strength and achieve our goal. It was a very useful session to the students. They were motivated to understand the true need of their mental health and communicate effectively with everyone. The event wound up with Vote of thanks.</p> |                              |                     |                                       |

| <p>A webinar on "Turning potential into Performance" was arranged by Immaculate Youth Movement Cell of IECW on 24.06.2020at 4.30 p.m. through Google Meet.Rev.Fr.Bala has given inputs to the students to map their potential into competencies which required in various role to determine their leadership skills. He also encouraged the students to improve their team work and influence others to work together. He explained about 5 predictors for success like Motivation, Curiosity, Insights, Engagement and Determination. It was a very good input to the students to enhance their potential in right direction to go ahead towards their destiny.</p> |                              |                 |                            |

| A five days webinar on “ Breaking the barriers of Spoken English” was arranged by Anglo Franca Club of IECW on 08,10,15,17 and 22.07.2020 at 3.00 p.m. - 4.00 p.m.through Google Meet. Mr.J.Jesuraja has given motivation on breaking the language barriers. He trained the students to achieve fluency and being able to speak perfectly. He instructed the students how to overcome the initial fear and starting to speak a foreign language. It enhanced the students to have the courage to talk to a proficient speaker and hold a conversation – even if it’s a short one. It’s a good start for the first year students. This Programme was ended with vote of thanks. |                              |                             |                        |

| <p>A webinar on "CommunicationSkills" was arranged by Immaculate Youth Movement Cell of IECW on 20-06-2020 at 3.30 p.m. through Google Meet. Ms.Harshitha, during the session she made a presentation on Basic Writing Skills which covered basic Grammar. The participants were given some useful information on telephone etiquettes. Then they were given some exercises where they were asked to use appropriate language – both formal and informal – while making telephonic conversations. At the end of the session few participants gave their feedback explaining how the program helped them to improve their communication skills and made them more confident of using English in a better way. This Programme was ended with vote of Thanks.</p> |                              |                        |                              |

| <p>A webinar on “Change your life style in COVID`19” was arranged by ECO club of IECW on 22-06-2020 at 11.00 p.m. through Google Meet .Dr.S.Akilandeswari has given an awareness talk on life styles changes during COVID-19. She has given some tips to improve our immunity system. Few of her insights shared by her such as, it is a global burden which continues to redefine daily lifestyle-related habits in a significant manner. She has highlighted the recommendations and government measures taken to abate infection have indirectly impacted food availability, dietary quality, normal daily activities, and access to recreational public settings, social activities, work and financial security. She insisted the factors like daily eating habits and sleep behaviours to be maintained properly. She also pointed out the negative impact on various lifestyle-related behaviours as a potential implication of COVID-19. This Programme was ended with vote of thanks.</p> |                              |                       |                                       |

| <p><b>Summary:</b><br/> Webinar on “Python programming and its Application” was organised by Information Technology Department on 27.7.2020. Resource person was Mr.A.Veeramuthu .He introduced the real time applications of python language and he said that it’s a free, easy-to-use and powerful language. These are probably the main reasons why Python has gained such popularity over the last two decades. The availability of numerous libraries for specific tasks provide hydro (geo) log with a comprehensive suite of tools to automate daily tasks, perform sophisticated data analysis and create impressive visualisations. He explained the topics like Data handling and visualisation, Time series analysis, and working with spatial data. This session ended with students’ feedback and vote of thanks.</p> |                              |                            |   |
