It is committed to the serving cause of women through high quality of academic programme. The Prime Objective of this College is Academic Excellence and Character Formation of women who are trained to be future engineers. The campus consists of beautiful green lawns and play fields. The college is well known for its Academic discipline, Technical excellence, Modern facilities, Record of performance with excellent results and Enterprising students. It is our pride to pronounce that our college stands first among the engineering colleges in Villupuram and Thiruvannamalai Districts and it ranked in the 44th place among all the affiliated colleges of Anna University. Many of our students have been selected in various Multinational companies, Banks, Government and Private sectors. Idhaya Engineering College for Women is an ISO 9001:2015 certified institution which is approved by AICTE and affiliated to Anna University, Chennai.

Objective of the Programme

The primary objective of this one-week Faculty Orientation Program (FOP) on Research Applications in Artificial Intelligence and Machine Learning was to enrich faculty members with preliminaries of artificial intelligence and its modern applications in machine learning and deep learning. The FOP was divided into several modules falling under the umbrella of Artificial Intelligence including Machine Learning, Deep Learning, Data Science, Natural Language Processing and Digital Image Processing. The objective was to address modern trends in the field of Artificial Intelligence with real time problemsolving.
