- Handing over in person is not permitted.
- Under unavoidable circumstances, the hard copy of the answer sheet may be posted the next day morning. Students have to keep the receipt of registered post or speed post safely for future reference.
- If the student appear for two exams on the same day, one in FN and another in AN, both answer sheets have to be sent to college office in the separate covers.
- If a student is in foreign country, then he has to send the soft copy of the postal receipt as first hand information since the College may receive the paper after a few days.
- In case a student fails to send either hard or soft copy of answer sheets then the subject in-charge may mark the student as absent.
- The class in-charges are instructed to monitor the above process and enter the attendance in the web portal every day.
- The exam will commence during the first week of June and the Time table for the examinations will be released ten days before the commencement of the examinations.

Overview and Topics of Discussion

Dr. Sr. A. Jenitta, Vice-principal of IECW opened the webinar with prayer followed by welcome address was proposed by Er. P. Poovizhi, ASP/ECE and Rev. Mo. John Britto Mary, Secretary of IECW felicitate the programme. Next Dr. G. Senthilkumar, the Resource Person start his presentation with strategies and challenges for educators as well as of learner. Then he highlighted 12 skills for 21st century for learners and educators.

Preliminary focal skills:

Critical thinking

Technology literacy

Creativity

Flexibility

Collaboration

Leadership

Communication

Initiative

Information literacy

Productivity

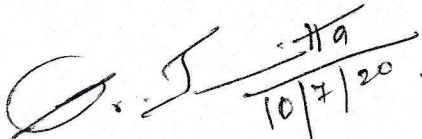

Media literacy

Social skills

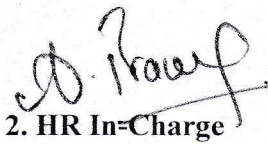

A few other relevant points that he spoke about the Multiple Intelligences(MI) chart and went on to say that the 21st century skills jargon is already there in the system, we only need to polish the skills through the internet platform and transform the classroom for a holistic approach with the collaboration of Blended approach, Flip model, etc. He elated the fact that 'understanding' is just one aspect of the teaching learning process, executing it and measuring the learning outcome is what makes it effective and successful. Thus, measuring the learning outcome is an important aspect and one has to map it with the 21st century education system. Finally, he iterated the 21 technology for the 21st century.

Conclusion

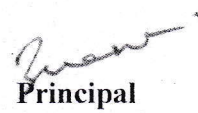

In all, the session was truly elating and inspiring. Participants raised many questions and provided comments regarding the 21st century learning. Finally, Er. S. Prabhakaran, AP/CSE concluded the session by expressing his gratitude to Dr. G. Senthilkumar, Director and Chairman, Eduvalue Creators India Pvt.,Ltd., Helikx Open School & Learning Centre, Trainer & behavioural Consultant, Salem for sharing such informative and thought-provoking ideas. He further thanked the management and participants for their constant support and makes the event more successful. The entire programme was compered by Er. A. Ruby Roselin, AP/ECE. Totally 183 Faculty members from various institution were participated this FDTP. At the end of the session Feedback were collected and automatically generated e-certificates were issued to all the participants who attended the event fully and posted their feedbacks successfully.
